DOES YOUR DISTRICT BELONG TO IADD?

Members are the key to every successful organization, and the IADD pride itself as being a volunteered organization that success revolves around honest, sincere, practical people who dedicated their talents to promote and protect drainage in Illinois. The financial support and invaluable input of members are necessary to reach our goals. We welcome the opportunity to include you as a member of this active organization. There is definitely strength in numbers. There are 1,700 drainage districts in Illinois. We need the support and participation of all drainage and levee districts, regardless of size in order to be effective against our opposition, which may have years of experiences and governmental support. Our determination and willingness to preserve the integrity of drainage districts must prevail.

Your response to this invitation to become a member of IADD will ensure that you are represented in issues that could greatly affect your rights to manage your business without undue regulations. If your district has not joined IADD then do not delay JOIN TODAY!
